

MATERIAL SAFETY DATA SHEET

Page : 1

Revision nr : 1

Date : 27/12/2004

Supersedes : 0/0/0

Gulf Emulsil NA**13105**

1. Identification of the product and the company

Trade name : Gulf Emulsil NA.
Use : Water Miscible Metal Working Oil
Company identification : Gulf Oil International
16 Charles II Street (3rd Floor)
London SW1Y 4QU
Tel: 00-44- (0) 20 7321 5533 Fax: (0)20 7839 2399
www.gulfoilltd.com
Emergency phone nr : CHEMTREC: US (800) 424-9300, International- (703) 527-3887
- Company : As above

2. Information on ingredients

Composition (preparation) : Mixture of highly refined mineral base oils (PCA-content < 3 % - IP 346) and additives.

Substance name	Value(s)	CAS nr	EINECS nr	EC index	CERTIFICATE
Triethanolamine	< 20 %	000102-71-6	203-049-8	----	Xi; R36/38

Other information : See Section 16 for full text of relevant R- phrases

3. Hazards identification

Main hazards : This preparation is classified as dangerous according to 1999/45/EC
Adverse human health effects : The undiluted fluid is likely to cause eye and skin irritation.
Environmental hazards : No specific risk for the environment.

- Inhalation : Excessive exposure to mists may cause respiratory irritation and damage, dizziness and nausea.
- Skin contact : May produce skin irritation.
- Eye contact : May cause eye irritation.
- Ingestion : Not expected to present a significant ingestion hazard under anticipated conditions of normal use.

4. First aid measures

- Inhalation : Assure fresh air breathing. Obtain medical attention if breathing difficulty persists.
- Skin contact : Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse. Seek medical attention if irritation develops.
- Eye contact : Rinse immediately with plenty of water. Seek medical attention immediately.
- Ingestion : DO NOT INDUCE VOMITING. Seek medical attention immediately.
Note to physician : If there is any suspicion of aspiration into the lungs either directly or as a result of vomiting, obtain medical advice.

5. Fire - fighting measures

- Suitable extinguishers** : Water fog. Dry chemical. Foam.
- Extinguishers not to be used** : Do not use a heavy water stream.
- Surrounding fires** : Use water spray or fog for cooling exposed containers.
- Special exposure hazards** : None under normal conditions. See also hazardous reactions § 10.
- Protection against fire** : Do not enter fire area without proper protective equipment, including respiratory protection.
- Special procedures** : None Identified

6. Accidental release measures

- Personal precautions** : Keep public away from danger area. Wear recommended personal protective equipment. Equip cleanup crew with proper protection.
- Environmental precautions** : Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.
- After spillage and/or leakage** : Clean up any spills as soon as possible, using an absorbent material to collect it. Collect spills and put it into appropriated container. Use suitable disposal containers. Recover the cleaning water for diposal. Spill area may be slippery.
- on soil : May require excavation of contaminated soil.
- on water : The product will emulsify and recovery may be difficult.

7. Handling and storage

- General** : Keep away from sources of ignition.
- Precautions in handling and storage** : Handle in accordance with good industrial hygiene and safety procedures.
- Storage** : Keep container closed when not in use. Keep only in the original container in a cool, well ventilated place.
- Handling** : Wash hands and other exposed areas with mild soap and water before eat, drink or smoke and when leaving work.

8. Exposure controls / personal protection

- Personal protection**
- Respiratory protection : When ventilation is not adequate, wear approved respirator.
- Hand protection : Use neoprene or rubber gloves.
- Skin protection : Wear suitable protective clothing.
- Eye protection : Safety glasses. Avoid contact with eyes.
- Industrial hygiene** : Provide local exhaust or general room ventilation to minimize dust and/or vapour concentrations. When using, do not eat, drink or smoke. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure.
- Occupational Exposure Limits** : None established for this product

Revision nr : 1

Date : 27/12/2004

Supersedes : 0/0/0

Gulf Emulsil NA**13105**

9. Physical and chemical properties

Physical state	: Liquid.
Colour	: Amber.
Odour	: Mild.
pH value in distilled water	: 9.4
Solubility in water	: Miscible.
Flash point [°C] (ASTM D 92)	: >130 deg C
Specific gravity	: 0.97

10. Stability and reactivity

Physico-chemical stability	: Stable.
Conditions to avoid	: Overheating.
Materials to avoid	: Oxidizing agents.
Hazardous decomposition products	: Carbon monoxide. Metal Oxides Carbon dioxide.
Hazardous reactions	: None under normal conditions.
Hazardous Polymerization	: Will not occur.

11. Toxicological information

- Inhalation	: Practically non toxic at normal conditions of usage. May cause respiratory irritation following prolonged or repeated inhalation of excessive oil mist and vapours.
- Dermal	: Likely to cause irritation. Contact with the diluted fluid is unlikely to cause harm on brief contact but repeated exposure may cause dermatitis.
- Ocular	: Likely to cause irritation. The diluted fluid is not expected to be a irritant.
- Ingestion	: Practically non toxic if swallowed in small doses. Larger quantities may cause nausea and diarrhoea.
Carcinogenicity	: No data available. The ingredients used in this preparation have not been listed in the US National Toxicology Program (NTP) nor have they been classified by the International Agency for Research on Cancer (IARC) as carcinogenic or probably carcinogenic to humans.
Other toxicological information	: Small metal particles resulting from metal working operations will contaminate the fluid and lead to skin abrasions and allergic skin reactions and may predispose to dermatitis.

12. Ecological information

Ecological effects information	: No data available.
Persistence and degradability	: Inherently Biodegradable
Bioaccumulative potential	: Not determined.
Mobility soil	: Ground water contamination may be caused through spillages

13. Disposal considerations

Disposal : Dispose in a safe manner in accordance with local/national regulations.

14. Transport information

General information : Not regulated.
- **UN No.** : Not regulated
- **ADR/RID** : Not regulated.
- **IMO-IMDG code** : Not regulated.
- **ICAO/IATA** : Not regulated.

15. Regulatory information

EC Labelling : Harmful.
R Phrase(s) : R36/38 - Irritating to eyes and skin.
S Phrase(s) : S26 - In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
S28 - After contact with skin, wash immediately with plenty of
S36/37/39 - Wear suitable protective clothing, gloves and eye/face protection.
S24/25 - Avoid contact with skin and eyes.
Regul/ EINECS : All components are in compliance with the EC Seventh amendment Directive 92/32/EEC
Canada : In compliance (DSL)
SARA - USA : Section 311 and 312 hazards classification(s) : None
US Toxic Substances Control Act - TSCA : In compliance
Australian Inventory of Chemical Substances (AICS) : In compliance

16. Other information

R-phrases listed in chapter 2 : R36/38 - Irritating to eyes and skin.
Product information : For specific or detailed technical data for this product, please contact your local sales representative.
Note : To the best of our knowledge and belief, the information and recommendations provided in this MSDS are correct. We make no warranty whatsoever, expressed or implied of merchantability or fitness for the particular purpose, regarding the accuracy of such data or the results to be obtained from the use thereof. We do not assume any liability for consequences of the uses of this information since it may be applied under conditions beyond our control or knowledge. The information is furnished on the condition that the recipients shall make their own decision as to safety and suitability of the material for their purposes. We will not be responsible for damages of any nature resulting from the use or reliance upon the information and recommendations. If you have purchased this product for supply to a third party, it is your duty to pass on to that third party the information given in this Data Sheet. If the third party is not an employer it is his duty to pass
